COVID-19 Vaccination & Testing Tracking

Vaccination/Test Status via Custom Fields

Set custom Yes/No and Date fields to track vaccination status and/or mandatory testing status and last test date. Fields can be updated in the app or via kiosk.

The screenshot displays the SAVANCE EIOBOARD interface. At the top, there is a navigation bar with the SAVANCE EIOBOARD logo and several icons for Home, Status, Notes, Reports, Timesheet, Phone List, Calendar, Admin, and More Options. The main content area shows a table with columns for Full Name, COVID Vaccinated, Fully Vaccinated Date, COVID Testing, and Last Test Date. The table contains six rows of user data. Red arrows point to the 'COVID Vaccinated' and 'Fully Vaccinated Date' columns, which are labeled 'Custom Yes/No Fields' and 'Custom Date Fields' respectively.

Full Name	COVID Vaccinated	Fully Vaccinated Date	COVID Testing	Last Test Date
Chris Curley	No		Yes	10/21/2021
Jadiel Koch	Yes	10/29/2021	No	
Lydia Franco	No		Yes	10/29/2021
Maritza Guerra	Yes	10/15/2021	No	
Quentin Knight	No		Yes	10/28/2021
Samantha Guzman	Yes	10/1/2021	No

Easily Group Staff/Visitors Based on Vaccination Status

Utilize groups to quickly see staff or visitors that fall into vaccination or testing categories. Utilize filters to limit which users have access to view groups.

The screenshot displays the SAVANCE EIOBOARD interface. At the top, there is a status indicator (In) and navigation links for My Info & Settings, Sign Out, Online Help, and a welcome message for Tim Thomas. Below this is a navigation bar with icons for Home, Status, Notes, Reports, Timesheet, Phone List, Calendar, Admin, and More Options. The main content area shows a table of users filtered by 'COVID Vaccinated'. A red arrow points to the 'COVID Vaccinated' filter tab with the text 'Utilize groups'. The table lists three users: Jadiel Koch, Maritza Guerra, and Samantha Guzman, all of whom are COVID Vaccinated. The table has columns for Full Name, COVID Vaccinated, Fully Vaccinated Date, COVID Testing, and Last Test Date. The bottom of the interface shows a page number of 1 of 1 and a refresh time of 3:24 PM.

Full Name	COVID Vaccinated	Fully Vaccinated Date	COVID Testing	Last Test Date
Jadiel Koch	Yes	10/29/2021	No	
Maritza Guerra	Yes	10/15/2021	No	
Samantha Guzman	Yes	10/1/2021	No	

Color Coded Vaccination & Testing Status Options

If not using for tracking electronic in/out, you may opt to use color-coded statuses to track vaccination or testing statuses.

The screenshot displays the SAVANCE EIOBOARD interface. At the top, there is a navigation bar with the SAVANCE EIOBOARD logo and several icons for Home, Status, Notes, Reports, Timesheet, Phone List, Calendar, Admin, and More Options. The user is logged in as Tim Thomas. Below the navigation bar, there is a table with columns for Full Name, Status, COVID Vaccinated, Fully Vaccinated Date, COVID Testing, and Last Test Date. The table contains six rows of data. The 'Status' column uses color coding: red for 'Covid Testing' and green for 'Fully Vaccinated'. A red arrow points to the 'Fully Vaccinated' status of Samantha Guzman, with the text 'Utilize Statuses' written in red below it.

Full Name	Status	COVID Vaccinated	Fully Vaccinated Date	COVID Testing	Last Test Date
Chris Curley	Covid Testing	No		Yes	10/21/2021
Jadiel Koch	Fully Vaccinated	Yes	10/29/2021	No	
Lydia Franco	Covid Testing	No		Yes	10/29/2021
Maritza Guerra	Fully Vaccinated	Yes	10/15/2021	No	
Quentin Knight	Covid Testing	No		Yes	10/28/2021
Samantha Guzman	Fully Vaccinated	Yes	10/1/2021	No	

Reporting & Report Filters

Use reporting to quickly get vaccination reports or to view last test dates of staff. Utilize filters to create a report showing anyone who has not submitted a test result in the last 7 days.

Upload & Store Vaccination Cards or Recent Test Results

Utilize User Photos to upload and store photos of vaccination cards or recent test results. Photos can be uploaded in the app or captured via the kiosk. Supports multiple photos arranged in chronological order.

Utilize a Staff & Visitor Kiosk

Utilize a kiosk to allow staff and visitors to answer vaccination or testing-related questions and submit photos of vaccination cards or test results.

Submit a photo of your CDC Vaccination Card
