

COVID-19 Screening Solutions

Do you need to screen staff or visitors with COVID questions or take their temperature?

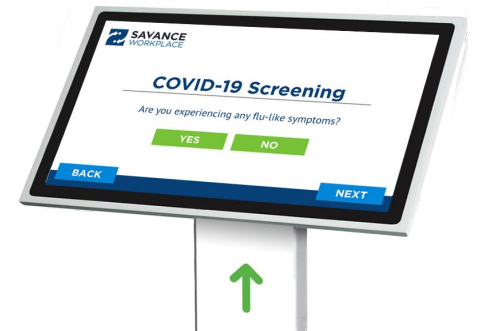

Savance can help!

AFFORDABLE & FULLY AUTOMATED

CUSTOMIZABLE SCREENING QUESTIONS

Set up a PC, a kiosk, a tablet, or go touchless to ask staff and visitors customizable COVID screening questions before entering the building.

TEMPERATURE CAPTURE

Add a temperature capture device to automatically read temperature or optionally have staff read temperature and enter it.

GO TOUCHLESS!

Use a QR code to allow people to answer screening questions on their own device.
