SAVANCE WORKPLACE

Badge Design & Printing

Completely configurable application to quickly and easily design, print, and assign badges or name tags.

- Easily design, print & assign badges or name tags
- Completely configurable, template-based WYSIWYG designer
- Drag and drop functionality
- Create your own designs; import; or use one of the built-in templates
- Supports any Windows printer

HOW DOES IT INTEGRATE WITH ACCESS CONTROL?

User contact details are synced from the access control system into Savance Workplace, and badges, pictures, and other fields can be updated and printed from any number of templates to any Windows printer. After printing, badges can quickly be assigned and activated in the access control system.
